18 - 21 June 2007
Biarritz - FRANCE

11th Spacecraft CHARGING Sept. 20-24, 2010
Technology Conference

Announcements

- The black hats for the session chairs and co-chairs mean they are the bad guys - they get to yank you off stage.
- Please go over the responsibilities of chairs and co-chairs (found on the website) so they'll know what to do, starting on Monday afternoon.
- Participants should use the half hour breaks to go into the poster room and look at posters so they know what they want to ask questions about during the Tuesday and Thursday afternoon poster sessions.
- The Rodeo and Concerts at the Fair are Thursday and Friday (not Wed.) , 7pm start. \$25
- Behave yourself

Acknowledgements

- General Dynamics Information Technology
 - Cathy Griffith, Sherry Johnson
- AFRL
 - Committee: Dale Ferguson, Adrian Wheelock, Shu Lai, Steve Quigley, James Metcalf, David Cooke
